FLOODS RAVAGE BALDY CABINS -- This photograph taken by Andy Wilson of Upland high school displays the havoc caused by the second flood to hit this area during the winter. Similar damage resulted in the death of four persons as the result of mud slides. The road to the Mt. Baldy recreation area is now open.

Peace Officers Honored

The first annual peace officer awards luncheon, sponsored by the Independent Insurance Agents of Western San Bernardino County was held at Los Serranos country club Monday.

Designated peace officers from Montclair, Chino, Upland, Ontario and the West End Sheriff's office were honored.

Following the luncheon each city or area represented at the affair was singled out one by one with the designated award recipient and his superior officer -- who selected him.

Upland Police Chief John Wessely nominated Patrolman Gary S. Hart as the city's outstanding peace officer for 1968 and provided a summary of the circumstances justifying his appointment.

"Officer Hart received a call via the police radio to respond to a traffic accident at the intersection of Mountain avenue and 17th. Enroute he received information from the police dispatcher that a pedestrian had been struck by an automobile.

When Officer Hart arrived at the scene of the accident he observed that a 3-1/2 year old child was lying in the middle of the street surrounded by on-lookers. The child was being attended by his father.

"Officer Hart checked the child for injuries, found his breathing had stopped, but detected a very weak pulse. He immediately began to apply mouth-to-mouth resuscitation. After a short period of time the child responded and began breathing on his own, however, he remained in a state of unconsciousness.

"The child had suffered a severe forehead laceration which was bleeding profusely. Officer Hart treated the wound until the ambulance arrived. The child was transported to the San Antonio Community hospital and treated in the emergency ward; later transferred to the intensive care ward, he recovered.

"A card of appreciation was later received by the police department from the child's family. Grateful thanks and appreciation was extended to Officer Hart for his immediate and effective actions which saved the life of the child."

After the formal remarks were made each officer so honored received a plaque and a \$25 savings bond from president Skip Runner.

In closing, Chief Wessely expressed the thanks of the officers present commending the association for making "these" awards available to the many fine police officers in the West End area.

AWARD RECIPIENT -- Skip Runner, left, president of the Independent Insurance Agents of Western San Bernardino County, presents a plaque and a \$25 U. S. Savings Bond to Upland Patrolman Gary S. Hart as the outstanding peace officer in Upland for 1968, while Police Chief John Wessely, right, looks on with approval.

What's Doing In Upland?

By Jenny Kirkpatrick

Hats off to Rotary club members Vern Orum and Paul Hotel who are chairmen of an Arbor Day (March 7) project sponsored by the club. The Rotarians will purchase 1,000 Coulter pine seedlings to give to each fourth grader in the Upland school district. The youngsters will take them home to plant. Also, hats off to Chuck Althouse, the club's newly elected 1969-70 president.

WHAT EVER HAPPENED TO?
Where has the noon siren gone? Many people around town including myself, lament the silence of the siren at noon. How do we know we are hungry if we don't hear it? Inquiries at City Hall have not disclosed its whereabouts. Let's start a campaign to get it back.

GIRL SCOUT WEEK
Girl Scout Week opens Sunday and in celebration, the Cadette Girl Scouts of troops 1123 and 1213 are seeking former Girl Scouts, no matter how old they are now. A tea will be given in their honor at St. Mark's Episcopal church, Sunday, March 9, from 2 to 4 p.m. For further information call 985-3756.

Flood Control Meeting Set

Many people in the Upland-Cucamonga area who would like to see more money for flood control in the county budget next year are invited to attend a Zone 1 Advisory Committee meeting at 9 a.m., Thursday, March 13, at the Cucamonga County Water District offices, 9641 San Bernardino road.

Besides attending the budget session, people may write to their representatives at the county and federal levels, and make their flood control wants known.

Following are the addresses: County: Daniel Mikesell, Supervisor, Ontario, County Board of Supervisors, San Bernardino; Federal: Congressman Jerry L. Pettis, 427 Cannon Bldg., Washington, D.C. 20515; Senator George Murphy, 425 Old Senate Office Bldg., Washington, D.C.; Senator Alan Cranston, Senate Office Bldg., Washington, D.C., 20515; and President Richard Nixon, Capitol Bldg., Washington, D.C. 20515.

Push Flood Control Drive

A go ahead by the City Council was given Monday night at the council meeting to form a joint action committee with Cucamonga, Alta Loma and Ontario to ask for priorities in flood control from the county.

Councilman Ronald Rossiter, asked the council members to approve the formation of the committee so that concentrated effort could be made to get the necessary repair work done in the channels.

Appearing at the meeting was Dean Lucas, who said he spoke as a citizen and an observer from the Cucamonga Chamber of Commerce. He indicated a committee of this sort would be very helpful and said he would take the idea back to the Chamber.

A resolution was approved by the council asking for the priorities and Mayor George Gibson appointed Councilmen Rossiter and James Christensen to work on the committee.

In addition the council passed a resolution in which the priorities were spelled out. In part it said:

Priority 1: Rebuild the diagonal levee at the south end of the Cucamonga Canyon mouth in a more substantial fashion so that it will withstand the onslaught of storms such as those experienced in January and February and will continue to function.

Priority 2: Line the west Cucamonga channel from Foothill boulevard southerly to San Bernardino road which is the only section of said channel that is not currently lined, and which section endangers the San Antonio

Incumbent Gibson Only Dissenter

By Jenny Kirkpatrick

The issue of whether Upland should elect its mayor was approved to be placed on the ballot with the Park Bond election to be held May 13.

Councilman Max Hawkins raised the issue at Monday night's council meeting. The vote was four to one, with Mayor George Gibson casting the dissenting vote.

In the discussion of the matter, the mayor said, "I haven't seen any indication by the people of Upland that they are striving for it (to elect the mayor). If it were on the ballot, they would vote for the measure."

"Upland's present system has worked pretty well through the years. An elected mayor might create a conflict with the city manager, and might feel he (the mayor) would have more authority. The way it is now, he is just another councilman," Gibson added.

Councilman Ronald Rossiter said, "The electorate should be allowed the choice, but as a matter of tradition, Upland has always elected one of its own. I feel sad we have to let the system go, for no good reason except other cities do it (elect their mayor). He was speaking of the poll taken by Hawkins which showed Upland was one of the last cities in the area which does not elect the mayor."

Councilman James Christen-

sen said, "We on the council are no better than anyone in the community, anyone can serve. If I can be mayor, so can anyone in Upland. I'm glad to see this measure come to a vote."

Councilman Max Hawkins said, "I agree we must give the people the choice. They should have the right to elect their mayor." At one time Councilman Hawkins opposed the measure of electing the mayor. However, he said Monday night that he had "changed his mind."

In other business, the council discussed with William Walk, attorney for Dr. Joseph Powers, owner of the building located at 250 N. Second avenue concerning improvement or condemnation. Walk told the council members the doctor had decided to renovate the building and presented an architect's sketch of the proposed renovation.

The cost of the project would be approximately eight to ten thousand dollars, Walk told the council. The time set for the completion was fixed at June 30.

The council continued a hearing by Arthur Lawrence, who is asking for a zone change on two lots located at the corner of Second avenue and 7th street.

They approved ordinances and resolutions and approved Planning Commission recommendations.

Riley Appointed To Library Board

Richard Riley, an Upland resident for many years, was appointed to serve on the Library Board by Mayor George Gibson at Monday night's City Council meeting.

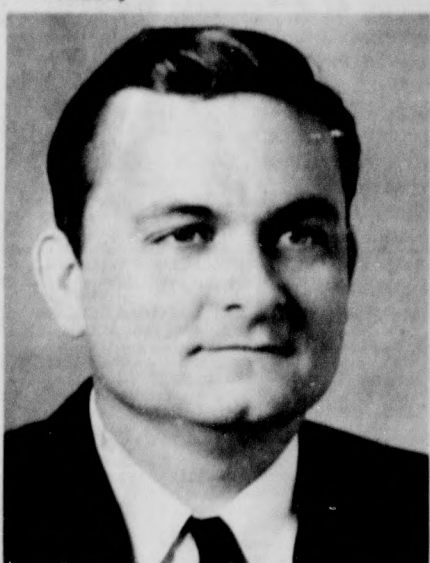

Riley fills the post vacated by Harold Cook who served on the board for 34 years and recently retired.

The new board member is principal of Cabrillo school and has been with the Upland school district for 16 years. He has served in many capacities in the community. He was the third recipient of the Foothill PTA Council's Honorary Life Membership.

He belongs to Rotary, is active in the Upland Elementary Association, has served on Boy and Girl Scout boards and was chairman of the March of Dimes drive for the Upland school district. Active in the First Baptist church of Ontario, he serves on the board and coaches teenage sports. He has worked on the police and community relations committee and helped on the Park Bond issue committee.

Riley and his wife have four children.

Asked about his appointment to the board, Riley said, "I'm elated and honored by the appointment and will do the best I can to serve as well as Harold Cook did."

WHITE TAG SALE -- John Meyer, president of Retail Merchant's Association, gets a white tag from Helen Rietkerk, chairman of White Tag Sales, Upland high school. Looking on is Leon Kern, chairman of the drive. The white tag sale days are March 14 and 15 when cooperating merchants aid the American Field Service in securing funds to bring foreign exchange students to Upland.

RESUSCITATOR EQUIPMENT -- The Bomberos show marked interest in the resuscitator equipment being demonstrated by Larry Navarrette, Cucamonga fire training officer, center. On the left is Sergio Jimenez of Mexicali and Jose Cavarrubias of San Felipe, on the right.

Here For Training

Cucamonga Hosts 'Bomberos'

The "Bomberos" were in Cucamonga recently, adding to their knowledge.

The Bomberos are firemen from Mexico and Cucamonga firemen have been hosting two of them for the past week while the pair attended training classes at the Colton Fire Department. They are Sergio Jimenez of Mexicali and Jose Cavarrubias of San Felipe.

According to Larry Navarrette, training instructor for the local department, this is the third year the program has been in effect. As a bi-lingual instructor, Navarrette has been participating in teaching the Mexican firemen some of the latest techniques which included basic first aid, casualty handling, ladder practices and disaster operations.

Under the Fire Training Program of the State of California Department of Education, and under the auspices of the Citrus Belt Fire Chief Association, Mexico has sent different fire representatives each year to learn and practice the latest techniques and familiarize themselves with the newest equipment, although the latter is not always available to them when they return home, Navarrette says.

The trips have proved profitable in the past in addition to the knowledge gained as friendships between local firemen and the visiting Bomberos have resulted in various kinds of equipment heading south. Fire departments and individuals have donated fire equipment to the Mexican firemen in the past, Navarrette said, one Mexican department even gaining a small, used fire engine.

There are 130 Bomberos participating in the classes in Colton under the direction of Nat Alvarez, Bloomington fire chief and L. E. Timby, Colton fire chief.

Friday, the group was graduated in exercises held at San

Bernardino Valley College followed by a banquet at which the Bomberos provided the entertainment. Saturday they returned to Mexico.

On Wednesday night, the Cucamonga Fireman's Club held a steak barbecue at the fire house for the Bomberos which was attended by the Mexican firemen visiting from Upland, Upland firemen, Cucamonga firemen, and their wives.

Navarrette said the two Cucamonga Bomberos also enjoyed a freeway trip to Los Angeles during their stay. Their comment on the area was, "Too many people ride in cars and are too much in a hurry."

Church, Horse Ranch Given O.K.

CUCAMONGA - ALTA LOMA Approval for a horse ranch for the Alta Loma area and an Apostolic Church in Cucamonga has been given by the County Planning Commission.

Rudy Brumund was granted a zoning variance to raise Arabian horses on a 17-acre ranch and to keep as many as 45 horses. The commission approved a four-bedroom house, 10-stall barn, two

animal shelters and four paddocks, but left further conditions of development to the planning staff.

The church, for Spanish-speaking people was approved for a 14,000-square-foot parcel on the east side of Center street, 50 feet south of 26th st. The commission approved it for an estimated 135 member congregation.

Cucamongan Named To GOP Group

State Senator William E. "Bill" Coombs (R-San Bernardino County), has announced his eight appointments to the Republican State Central Committee. One of these is a Cucamonga resident.

They will participate in official party activities during the next two years which will include committee meetings, annual conventions, and the summer board meetings.

Delegates from the county are: James D. Bruno of Chino, Mrs. Bertha L. Byrne of Yucca Valley, Elgin T. Gates of Needles, William E. Leonard of San Bernardino, Mrs. Beulah Walker of Ontario, Richard D. Reddick of Rialto, Mrs. Bernice L. Ruston of Lake Arrowhead, and Reed Sprinkle of Cucamonga.

CABORCA FIREMEN -- Staying at the Upland Fire Dept. while attending a seminar in Chino were (seated) Gregorio Ramirez Jimenez, Gregorio Avila Garcia and (standing) Yerman Contreras Pino and Liberato Monreal Perez, of H. Caborca, Sonora, Mexico, our sister city. Eng. John Lombardo of Upland Fire Dept. acted as their official host while they were here.

James Hewitt On List of Commandant

Cadet James U. Hewitt, son of Mr. and Mrs. Donald P. Hewitt of Upland, has been named to the Commandant's List at the U.S. Air Force Academy.

Cadet Hewitt, a member of the class of '69,

was selected for his outstanding military performance. He will wear a silver wreath designating the honor accorded him by the Academy commandant of cadets.

He has also been selected for the position of wing deputy commander with the rank of cadet lieutenant colonel.

The cadet will be commissioned a second lieutenant and awarded a B. S. degree upon his graduation from the Academy. Cadet Hewitt, a graduate of Upland High school, attended California State Polytechnic College.

Glaucoma is the second leading cause of blindness in the nation. An estimated 1,702,000 Americans 35 years of age and older are threatened with blindness from glaucoma, which for the most part can be controlled and sight saved if discovered and treated in its early stages.

Teen Challenge To Ask OK

Four hearings concerning the Cucamonga District are on the agenda of the County Planning Commission March 6.

Scheduled at 1:45 p.m. is the first hearing, on a petition of Leonard S. and Diana Cutuli for a zone change from R-1 (single family residence) to "P" (automobile parking) zone on the northeast corner of Archibald ave. and Hampshire st. in Cucamonga.

Next will concern the request by John Christ for a variance to create a substandard lot in an R-1-20M (single family residence, 20,000 sq. ft. min.) zone on the east side of Amethyst st., 1,400 feet north of Hillside road in Alta Loma.

At 2 p.m. two site approvals will be asked by the Inland Empire Teen Challenge, one for a Youth Rehabilitation center in an R-2 (two family residence) zone on the north side of San Bernardino road approximately 600 feet east of Hellman ave., Cucamonga. The other in an R-3 (multiple family residence) zone on the south side of San Bernardino road approximately 510 feet east of Hellman ave. Cucamonga.

GIFTS TO THE LIBRARY-Looking over some of the new books at the library are Mrs. Fred Robertson, chairman, literary section and Mrs. L. B. VanOrnum, president, Upland Woman's Club. The women recently visited the library to see what gifts might be purchased by the Club. They looked over books, chairs and record racks and will make their recommendations to the club.

Flooding Losses Deductible Now

Property losses suffered by individuals in 1969 may be claimed as deductions on their 1968 California personal income tax if the damage occurred in a federally designated disaster area.

Martin Huff, executive officer of the Franchise Tax Board, said a provision of the law, enacted after a devastating tidal wave struck northern California in 1964, allows property owners to claim flooding and rainstorm losses without waiting for the 1969 filing season.

The California law is similar to a Federal statute and sets up the following conditions:

--The damage must have been sustained prior to April 15, 1969.

--The loss must be in a disaster area as proclaimed by Presidential proclamation.

--The accelerated deduction provision applies to individuals and not to corporations.

Corporations may claim deductible losses in filing their returns for 1969. Individuals also have the option of claiming their losses at the end of the tax year, Huff said.

Nine California counties have been declared disaster areas at this date by the President. They are: Fresno, Inyo, Los Angeles, Riverside, San Bernardino, San Luis Obispo, Santa Barbara, Tulare and Ventura.

Additional counties may be eligible in the near future, Huff said.

Washington Crosses Delaware, But Not Cucamonga Wash

The annual production of a play entitled "The Life of George Washington" enacted by the fifth grades of Central School in Cucamonga for the last 12 years has been postponed until March 6.

It was first delayed out of deference to the PTA Founders' Day Program which was held on Feb. 20. Next, on a stage partially set for the first scene of the play, evacuees from the San Gabriel Valley Labor Assn. reposed, temporarily homeless because of local flood waters.

The play, written and directed by Miss Jacqueline Gore will be given twice. The first performance at 10:15 a.m. will star Norman Browne and Lisa Eckert. In the evening performance which will be given at 8 p.m., Martha will be played by Leslie Musser and George Washington by Donna Corner. For these four as well as many others in the cast of actors, dancers and narrators this play has become a family affair. Norman Browne's brothers, one just out of Navy Boot Camp the other in the Air Force, were former participants.

Lisa Eckert's sister Susan, a seventh grader at Cucamonga Junior High School and Donna Corner's brother Glenn, also a seventh grader at that school, were Martha and George in their time. Leslie Musser's sisters Sunnie, an Alta Loma High School sophomore, and Cindy, a senior, were Marthas before her. Her brother Randy, an Alta Loma High School sophomore was also in the play.

World Day Of Prayer Observed

The annual World Day of Prayer will be observed on Friday, March 7. This day is a symbol of unity when all communities and nations share in common prayers and affirmations. They meet to pray for the needs of the world, to express commitment and oneness in Christ, and to give offerings for carrying out the Church mission in the world.

This year's theme is "Growing Together in Christ," and the scriptures and prayers were proposed by women in Sierra Leone, Ghana, Nigeria, South Africa, Congo, Zambia and Kenya. There will be meetings both in the morning at the First Baptist Church in Ontario, and in the evening at the Mount Zion Baptist, Ontario.

The morning program will begin at 9:30 a.m. with prayer groups and worship service at 10 a.m. will feature a message by Rev. Emil J. Authel of the First Baptist Church. The evening meeting will begin at 7:30 p.m. with the message by Mrs. Harvey Shirk, Chairman of Area 7, Church Women United.

Pancake Sale A 'Happening'

Once again the biggest pancake sale in history is "happening" at UHS on March 15 under the fabulous title of The Senior Pancake Breakfast. Those familiar "discs of batter" will be served from 8:30 to 11:30 a.m. in the cafeteria. This is the BIG money-making project for the senior class to help finance the Disneyland Overnight Party following graduation.

Try-outs Slated

Tryouts for boys 13 and 14 for the Cucamonga Pony League will be held March 8 at 10 a.m. at the Alta Loma high school field. All boys must be registered on this date if they intend to play ball this season.

GRADUATES -- Four Webelos in Cub Scout Pack 605 were graduated into the Boy Scout ranks at the pack's recent Blue and Gold dinner held at Sierra Vista school. Awards were presented by Joe Shay, adult leader, and several dens put on plays. The graduates shown are (l to r) Jim Ems, Keith Goetry, Steve Dupruis, and Chuck Mycoff.

Contracts Let For Road Work

A contract for \$108,626.15 was awarded to Match Constructors of Rialto for construction of 0.8-mile of Archibald avenue (Federal Aid Secondary County Road 695) east of Upland.

Two lanes of the ultimate four-lane facility will be constructed between Baseline and 19th street (Route 30).

Flashing light signals and crossing gates will be installed at the crossing of the Southern Pacific Company's railroad tracks.

A SPARKLING SPRING—Three members of the Alta Loma Faculty Wives preview fashions they will show March 12 for Chaffey High School District wives. From left are, Mrs. Martin Balding, Mrs. John Freymueller and Mrs. Bob Fikes.

Faculty Women Plan Show

Alta Loma Faculty Women are hosting a fashion show for the Chaffey High School District wives and guests, Mar. 12.

The fashion show is open to the public, admission free. Donations for the Bill Simmonson Kidney Machine Fund will be taken.

"Portraits in Fashion" is the theme of the fashion show which will be held in the cafeteria of

the Alta Loma High School 8880 Base Line Road, Alta Loma, at 7:30 p.m. Dessert will be served while fashions from Mona's Dress Shop, 271 N. Second Avenue, Upland, are modeled by members of the five Faculty Wives organizations in the district.

In keeping with the theme, Mr. Lech Drahelski, a local artist, will have on display several of his sketches and portraits.

Under the direction of Donald Bowers, choral music director at Alta Loma High School, the Madrigal Singers will entertain during intermission.

Committee members in charge of the fashion show are Mmes; Donald Bowers, Martin Balding, Bob Fikes, John Freymueller, Hal Nicholson, L.P. Powers, Tom Maxfield, Mel Pedvin, James Castle, and Fred Carter.

DAR Plans For Visit Of Official

The local chapter of the National Society Daughters of the American Revolution are making plans for the visit of their State Regent, Mrs. Thomas Vernon Coffey, from Modesto.

Mrs. Coffey will be making her visit May 13 at the Fontana Women's Club, 16880 Seville (corner of Sierra).

Reservations for this meeting must be made before May 1 with Mrs. E.J. Dahlstrom, Regent of the San Antonio Chapter (Ontario-Upland). Luncheon arrangements will be made by the Lytle Creek Chapter, represented by Mrs. Ansel D. Brown, Regent. Decorations will be designed by Arrowhead Chapter of Redlands and Aurantia Chapter of Riverside chairmanned by Mrs. Harry Stark and Mrs. Edgar Dyer.

Other chapters participating are Claremont, Covina, Estudillo (Hemet), Luisino (Sun City), Pomona, Rubidoux and San Bernardino. These chapters were represented by Miss Katherine E. Smith, regent Claremont; Mrs. Henry Hepler, first vice regent Covina; Mrs. J. R. Falconer, Luiseno; Mrs. Robert L. Danielson, regent, Estudillo; Miss Carrie Caffyn, regent Pomona; and Mrs. Nelson Hull, state vice chairman of American Heritage, also of Pomona; and Mrs. R. T. Lauderdale who chairmanned the recent planning meeting.

Drivers Needed Now Says Cancer Society

"We would like to put YOU in the driver's seat!" So says Alice Wilkins, executive director of the San Bernardino Branch of the American Cancer Society.

According to a plea issued this week by the Society, drivers are urgently needed to transport patients to their doctors' offices and to treatment centers.

"Slipping behind the wheel of your automobile may seem a simple matter to you," Mrs. Wilkins said, "but to a small band of our populace it is humanly impossible."

This is why the San Bernardino Society is making an appeal for qualified volunteer drivers. "We have a growing list of cancer-stricken patients who must regularly attend a clinic for treatment or visit their doctors."

"Those applying for this service from the Cancer Society, are patients unable to drive themselves or lack the financial ability to pay for transportation. In most cases they may lack the vehicle itself, or be too elderly or infirm to drive," she explained.

A few hours each week, sometimes as little as two hours, is adequate for one patient. In case of longer hours, two volunteers

share the transporting, one to the treatment center and one for the home trip.

With the volunteer driving list diminishing and the number of patients applying for aid growing, drivers are needed immediately for this area. During 1968 seventeen patients from the West End were transported to hospitals for treatment, each case not more than six weeks each, according to Mrs. Arthur Novelli, Montclair Board member.

The average case is either for a general doctor's check-up, or co-habit treatment. Such is the case of several needy patients on file at the moment.

Drivers of legal age, licensed and willing to devote a few hours weekly are requested to contact the American Cancer Society, 1010 W. 4th St., Ontario, Calif. or telephone 983-2784 or 629-1319 or Mrs. Novelli at 984-1193 or 626-5039.

Transportation is but one of the many services in San Bernardino county last year a total of 790 new cancer cases were served with loan closet items, speech lessons, dressings and counseling, several of these in our local area, said Mrs. Novelli.

Mr. and Mrs. David W. Brown

Kathleen Kime Wed To D. Brown

Making their home in Virginia Beach, Va., are the newlywed Mr. and Mrs. David Wayne Brown.

The bride is the former Kathleen Linda Kime, daughter of Mr. and Mrs. Harold W. Kime, 676 W. 8th street, Upland. Mr. Brown is the son of Mr. and Mrs. William T. Brown, Mechanicsville, Pa.

The ceremony was held in February at the First United Methodist Church of Ontario. The Rev. Bruce Gabbert Jr. officiated.

Engagement Announced

Major and Mrs. Gerald E. Brotherton of Buena Park announced the engagement of their daughter, Marguerita Julia, to Anthony Randall Hallmann, FN US Navy at a dinner party given at the Kona Hawaiian Luau Shack in Santa Ana recently.

The love song "Sweet, Sweet Someone" was sung in their honor.

The bride-to-be is a member of St. Pious V Catholic church in Buena Park. She attended Westminster high school in Westminster, Upland high school and Kennedy high school in Cypress.

Her fiancé is the son of Mr. and Mrs. Anthony Joseph Hallmann of Ramona. He is a member of Immaculate Heart Parish of Ramona and formerly attended Ramona high school where he was a member of the F.F.A. and Lettermen club. He is presently on active duty with the US Navy, just embarking on a tour to Panama.

Date for the wedding is to be announced later.

The new Mrs. Brown wore a white velvet, floor length gown in an A-line with edging of Venice lace on the three-quarter length sleeves. A four-tier, illusion silk hand-rolled veil was held by a headpiece of lace petals, pearls and crystal and she carried a cascade of white roses centered by an orchid. She was given in marriage by her father.

Mrs. George Gilbert of Las Vegas, Nev., sister of the bride, served as the honor attendant. Her gown was styled with a persimmon velvet bodice and white chiffon skirt and she carried a nosegay of persimmon carnations. Bridesmaids were Miss Rose Macioci of Ontario; Mrs. Nicholas Hoplauf, Pomona; Mrs. William Tucker, Upland and Miss Sandra Landis, Riverside. All wore gowns identical to the matron of honor and all carried yellow carnation nosegays.

Best man for the bridegroom was Richard Delman of Ontario. Grooms-men were George H. Gilbert, Las Vegas; William Tucker, Upland; Nicholas Hoplauf, Pomona and John Wessely, Upland.

The reception following the rites was held at the church. The couple honeymooned in Palm Springs, then traveled across country to Virginia Beach where the bridegroom is an air traffic controller in the U. S. Navy.

He is a graduate of Central Bucks high school of Doylestown, Pa., where he was a year book editor in his senior year.

The bride is a graduate of Upland high school and attended Chaffey college for two years serving as freshman class publicity chairman and treasurer for the Associated Women students for two semesters.

AFS Students Present Program To Faculty Wives

A combined gathering of the Highland Wives and Upland Women Faculty and Staff met Feb. 19 in the Upland High School Faculty Lounge to hear Upland High's four visiting American Field Service students speak.

The four AFS foreign students studying at Upland High this year are Kerstin Lewin, Sweden; Homayon Hashemy, Afghanistan; Frank Gattschalk, Germany; and Toshiko Shudo, Japan.

Each foreign student gave a brief presentation about his homeland and his view of and reactions to the American way of life. The session was planned by Mrs. Phillip Auth, a Highland wife who was a former AFS exchange student to Portugal. The students spoke before a backdrop bearing the AFS emblem and the slogan, "Walk together, talk together, oh ye people of the earth". William Turner projected slides of the countries discussed.

Following the program refreshments were served by the Mesdames Phillip Auth, Emil Rogo, Wallace Randleman, William Turner, Larry Bergerud, and Charles Strain.

West End Neighbors Help Disaster Victims

HON. JERRY L. PETTIS
of California
In the House of Representatives

Tuesday, February 25, 1969

Mr. Pettis, Mr. Speaker, the damage from floods this year in California is rapidly approaching status as the worst natural disaster, in terms of total dollar loss, in the State's history. Indeed, it may have already exceeded that, and the figures are mounting. There has been \$23 million in damages in my district, San Bernardino County, and this is increasing hourly as heavy rains continue to come down today. The extent of damage to public and private facilities—highways, utilities, homes, businesses—is so great that the people of my district have nowhere else to go but Congress and the Federal Government for the assistance necessary to restore those facilities and to rebuild their homes and businesses. I will have more to say on this, Mr. Speaker, along with my distinguished colleagues from California, when the California Disaster Act of 1969 comes to the floor and when the matter of appropriations for flood-control works is considered.

I would like to emphasize today, Mr. Speaker, that the people of San Bernardino County are not passively sitting back waiting for outside assistance. The people of the afflicted communities have organized disaster relief committees and are in the process of raising funds to help those who have lost their homes and other possessions and who have suffered major damages to their homes. The people of those communities have opened their hearts and their pocketbooks in their efforts to soften the impact of the disaster.

One of the organizations involved in this program is the Cucamonga District Disaster Foundation, established by the Cucamonga Chamber of Commerce and headed by the chamber president, R. E. "Tip" Browne, and a member of the chamber, Ted Vath. Cucamonga District Disaster Foundation was set up as a permanent foundation to give immediate money assistance to anyone affected by the disaster. Its funds will be distributed to residents of Cucamonga, Alta Loma, Upland, and Mount Baldy. The group has raised funds from donations, from a benefit show in which entertainers donated their time, and from a dance. Other projects are being planned.

The Cucamonga Service Club, headed by Milan "Chuck" Swan, collected vast amounts of food and clothing to distribute to the victims. Response to the call for help was so tremendous that the club had to issue a bulletin asking prospective donors to stop bringing food and clothing to the collection points. The Cucamonga - Alta Loma Women's Club and the Junior Women's Club also assisted with this project.

The Montclair Teachers Association has organized benefit dances to raise money for teachers who were flood victims. And the Alta Loma-Cucamonga Kiwanis Club and the Cucamonga District Lions Club joined hands to sponsor a spaghetti dinner to raise money for the relief fund. All food items were donated, and all money collected went into the fund.

Mr. Speaker, these are but a few of the efforts in my district by the people of the area to help those who have suffered from the record rainfall. Much more will be done, by private citizens and by the local governing bodies—all that is humanly possible for them to do. I sincerely hope, Mr. Speaker, that this body will see fit to offer these dedicated, responsible people that, where their efforts end, the task of Congress and the Federal Government will begin.

V. R. MAY BUSINESS SERVICE

After 23 years of service to corporations in the Pomona Valley, V.R. May felt he could be of help to many of the smaller businesses in the area.

There are many companies in the area who can not afford a full time accountant on their staff or are having financial problems due to a lack of knowledge of current laws and money conditions.

So armed with 23 years of know-how he set up his own business service, offering his talents in bookkeeping, accounting, notary public, and income tax, to the smaller corporations and businesses.

His office is currently located in his home at 4773 Hale ave., LaVerne.

Hopes And Fears Of Today's Youth

Following is the text of the prize winning talk on "The Hopes and Fears of Today's Youth" delivered by John Petrovsky, Damien high senior, at the La Verne Lions Club last week.

Petrovsky will now compete in the district competition.

We believe his views represent those of many youths and are of equal interest to the young and mature as well:

THE HOPES AND FEARS OF TODAY'S YOUTH

By John Petrovsky

Today I'm going to try to do something which is very seldom done. I'm going to try to bridge a gap between you and me, a gap which is responsible for most of my fears today. Please, listen to me. Listen to me as a person, not a speaker in a contest. Listen to me as a person who cares about his future and prays that his fears and hopes will be taken into serious consideration by you, who have structured a society which I fear but which I must eventually lead.

What does indifference mean to you? To me, indifference means the death of millions of children starving in Asia, Africa, and South America. To me, indifference means our lack of interest in people who literally rot away because of diseases which we have already conquered. Indifference is the violent and horrible deaths of thousands of our own countrymen who fight in a war about which most Americans don't care. Apathy means the death of idealism -- the submission of dreams to a reality without emotion. Now, ask me why I fear indifference!!

WHAT IS MATERIALISM?

What does materialism mean to you? To me, materialism means the loss of love, the loss of happiness, and the loss of understanding. Materialism means cold and callous treachery. It means limiting the mind to something which can never bring happiness. It means a fixation with "things" instead of people. Can't you see that what I want is to be able to know and love people for what they are? I want to be free of the shackles which materialism puts on my understanding. Now, ask me why I fear materialism!!

What does technology mean to you? To me, technology means automated creativity, automated emotion, and automated happiness. It means the total elimination of the individuality I now have. Most adults seem content with the vision of the future which includes Bionic computers which do man's work, machines which produce man's art, and the manipulation of man's mind, his body and his emotions. Well, frankly, I won't live in a society which promises these things. I want to work -- for the pure satisfaction of it. I need to create my own art. I must retain the individuality I now possess. I won't stand by and watch my mind become regimented. Now, ask me why I fear technology!!

However, fears are only weaknesses unless we have the courage to strive for their elimination. What am I willing to do? What do I want and hope for from the society of my future?

PEOPLE WHO CARE

I hope for a society in which people really care about other people, where people realize that there is no reason for anyone to starve, where men care for and understand one another enough to recognize the futility of war. Most of all, I want to retain the idealism that makes these dreams possible. I want to live in a society where love prevails over material ambition, where people understand that wealth and ease are not the roads to happiness.

I want a society where I am not allowed to be thrust into conformity. I want to be my own man, not a number. I want to be able to have the satisfaction of working hard toward an objective that can bring me happiness. I don't want that work done for me by machines.

BLANK WALLS

I want my mind to be able to develop at its fullest potential. I want nothing tying me down to indifference or logic. Because, these things are blank walls; they limit; they hinder; and they hurt.

Can you understand what I have said? Or haven't you even listened to me? If you have disregarded my words as those of an idealistic teenager, I fear you more than anything else. If you have shut me out, you are a product of the society which I must change. You are a product of the indifference and materialism and perverted technology which terrify me.

But if you have listened and, at least, tried to understand, then I turn to you. For, if you have identified in any way with what I have said, then you are the only hope for bridging the gap between us. Even though we demand very drastic change, we also very much need your help.

7000 Forest Trees Arrive For Planting

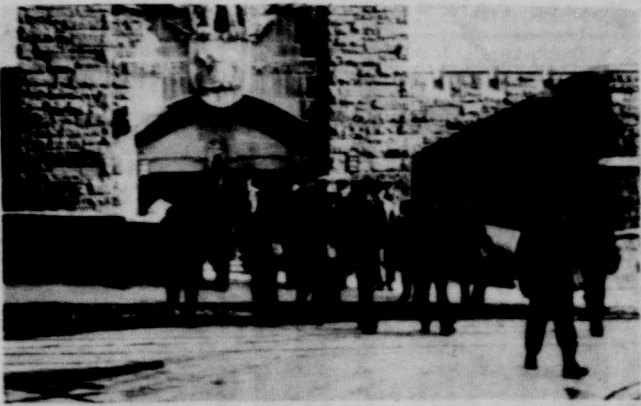

The San Bernardino National Forest received their annual shipment of forest tree seedlings the middle of February. They will be used to reforest land and other areas lacking in native trees. Forest Service crews will plant at several locations from Sanseavine ridge above Lytle Creek to Converse Flat on the Santa Ana River; from Big Bear to Idyllwild.

In addition to the common ponderosa and Jeffrey pines, hybrid trees such as Jeffrey-coulter pine cross and Monterey-knobcone cross will be used. These hybrids have been developed at the Forest Service Institute of Forest Genetics in

Placerville. In areas where smog is killing the ponderosa, Jeffrey and coulter pines, the more resistant Sequoia big tree and sugar pine will be planted.

While the heavy rains have caused damage in many places, the wet soil should result in excellent survival of the tiny trees this spring. The trees are 12 to 18 inches high and have been grown for one year in the sandy nursery beds.

This annual program of the Forest Service is designed to add to the natural forest tree production to ensure a healthy, fully stocked forest for future generations.

FILM SCENE... U.S. Military Academy cadets are shown leaving classroom in scene from Big Picture film, "West Point--the Army Challenge." The U.S. Military Academy was founded March 16, 1802.

YOU GOT IT THIS TIME?--Bob Baker asks his Marionette cast as he discusses show cues with them for their opening performances at the 54th National Orange Show which runs in San Bernardino March 6-16. The Bob Baker Marionette Co. was established by Baker over 25 years ago and is considered one of the finest in the country.

Bob Baker Marionettes To Perform At NOS

SAN BERNARDINO -- Delighting oldsters as well as children wherever they appear, the Bob Baker Marionette Show will set up their puppet stage at the 54th National Orange Show for the March 6-16 run in San Bernardino.

In addition to their thousands of live performances, the Bob Baker Marionettes have appeared in many motion pictures and television shows. Shows are staged in a unique "horseshoe in the round" type of outdoor theater where the puppets come within inches of their enchanted audiences to wink, wave and throw kisses.

This year's program is built around "Fiesta," appropriately providing the citrus exposition's

theme "Citrus Serenade" with all the proper gaiety. Musical guitars, dancing cactus and skating sombreroes will all be included in the cameo marionette numbers.

Starring in the production will be a cunning "south-of-the-border" character, Pepito and his little dancing dog, Chilli. Showgoers will be fascinated by the magical talents of Baker and his partner, Alton Wood, as they maneuver the puppets through complicated dance routines.

Programs are scheduled for 2, 4 and 7 p.m. on all week days and 1, 3, 5, and 7 p.m. Saturdays and Sundays. Bleacher seats are available and all performances are free-of-charge.

Assemblyman Opens Local Bill Service

SACRAMENTO -- Assemblyman John P. Quimby (D-Rialto) has announced his district office in Rialto has opened a legislative bill service to constituents of the 72nd Assembly District.

Office hours are 9 - 5 on weekdays, Quimby said. Copies of all bills introduced into the Legislature this year along with Daily Journals and Weekly Digests will be available to interested persons who wish to make personal use of the information.

"Because of the limitations posed on my district staff however," Quimby said, "we will be unable to accept telephone calls on the bill service."

His staff will be available during office hours to assist on the use of the bills and other legislative documents. Records of all bills will be on file at the office and the staff will be able to assist residents in acquiring copies of the bills or other documents from the State Capitol on request, Quimby said.

Additional Flood Damage To Be Reflected In Bill

WASHINGTON D.C. -- Additional damage resulting from this week's storm will be included in the figures considered by the House Committee on Public Works Committee when the Disaster Relief Bill comes before it, Congressman Jerry L. Pettis announced.

"The committee will hold the record open until the new damage can be assessed," Pettis said.

"It will certainly be reflected in the amount of money we must appropriate to help our country and the state recover from the total effects of the disaster."

The subcommittee on flood control conducted hearings in Los Angeles earlier this month, at which time Pettis and San Bernardino County officials presented details of the damage caused by the January flood.

'Citrus Serenade,' Theme For National Orange Show

California's world famous citrus industry will again be saluted with brilliant exhibits, exciting entertainment and lots of family fun and participation when the 54th National Orange Show opens in San Bernardino Thursday, March 6, for an 11-day run through Sunday, March 16.

Hailed as the world's largest citrus exposition, the event has also been termed the nation's happiest show. Colorful theme for this year's event is "Citrus Serenade."

Highlight of opening-day activities is the Southland's most exciting beauty contest with 50 contestants from Southern California communities competing for the coveted California Citrus Queen title in a gala spectacle set for 7:30 p.m. Thursday, March 6, in Swing Auditorium. Marilyn Maxwell, star of stage, screen and television, and Bill Welsh, noted television announcer, will fill the masters of ceremonies spots.

Entertainment stars headlining the free nightly stage shows, with afternoon performances added on Saturdays and Sundays, will include Doug McClure, who plays the starring role of "The Virginian," Friday, March 7; Trini Lopez, popular singer, March 8; Phil Harris, motion picture and television star, March 9; the Blossom Trio of television and stage productions, March 10; Myron Floren, accordionist with Lawrence Welk, March 11; Rosey Grier, popular sports and television personality, March 12; Henry Gibson, the poet of Laugh-In, March 13; Frankie Avalon, motion picture and stage singing star, March 14; Edie Adams, television singing star and comedienne, March 15; and Bob Hope stage, screen and television celebrity, the final Sunday night performance, March 16.

Other major attractions are the NASCAR super stock car races the first weekend, Movie-land Petting Zoo, Bob Baker Marionettes, all-day talent shows, and the Sheriff's Championship Rodeo billed for Saturday and Sunday, March 15 and 16.

Contests include the lemon pie and orange cake bake-offs, March 13 and 14; the amateur photo con-

test, distance race for women and girls and the National Baton Twirling Contest on the final weekend.

This is the second year of a Citrus Queen Exchange program between the National Orange Show and the Bay of Plenty Orange Festival at Tauranga, New Zealand. This year's New Zealand Orange Queen, Sue Cornwell, will visit the National Orange Show during the 11-day run, making personal appearances and performing the Maori dance on stage.

Spectacular county, community and organizations feature exhibits made with thousands of golden citrus fruits will be on display. A special National Orange Show exhibit being offered is the Eiffel Tower exhibit. This is a full scale reproduction of the Sacramento Chamber of Commerce entry in the 1927 show. The same materials and techniques were used as in the original exhibit. It was reconstructed with the aid of an old black and white photograph.

There is also the Hobby Show, All-California Art Exhibit, International Exhibit, International Exhibition of Photography, Flower and Garden Show, commercial and industrial exhibits and many others.

Youth activities and projects play an important role in the show. Future Farmers of America and 4-H Club exhibitors from San Bernardino County will be competing for nearly \$7,000 in cash premium awards, trophies and ribbons. Exhibit divisions include projects in livestock, 4-H homemaking, woodworking, home furnishings, entomology and others.

A gigantic fun zone with a sunken "land for little people" will be added attractions.

Students in the county's schools will also have their own exhibit department covering a wide range of interesting activities.

Three huge parades leading from downtown San Bernardino to the Orange Show grounds will dominate three weekend days. The Scouts parade

Nutrition Education Program Underway

Three staff assistants have been employed for the University of California's Expanded Nutrition Education Program, announced George D. Rendell, director of the Agricultural Extension Service in San Bernardino County.

Mrs. Harriet Clingman, Mrs. Jewell Shelton, and Mrs. Esther Hernandez will serve as staff assistants to Mrs. Gayle Austin of the Extension Service staff, who will conduct the pilot program for San Bernardino County.

Rendell says all three of the new staff assistants are highly qualified for their role in nutrition education. With their interest in child development, their awareness of the needs of the poor com-

munities of this area, and their experience in community service, they will be excellent organizers and teachers for the program. Their first assignment will be to assist in screening the dozens of applications that have been submitted for program assistant positions.

The local program is intended to help low-income families improve their nutrition. The 18 program assistants, or neighborhood workers, will be employed to work on a part-time basis. They will be given training in how to get families in their neighborhoods to buy more nutritious foods, get more for their money, and improve their general level of family life.

Bake-Off Scheduled At Orange Show

SAN BERNARDINO -- Do you bake a delicious orange or lemon cake? Or the best ever lemon or orange pie?

This contest is an annually looked for event of the citrus exposition and is sponsored by Southern California Edison Co., Sunkist Growers Inc. and the National Orange Show.

Then you should enter the Baking Contest of the National Orange Show March 6-16 to be held in San Bernardino. To receive the rules, write to Mrs. Julieann Martin, 300 N. Pepper ave., Rialto; Sunkist Growers, Inc., 2706 Terminal Annex, Los Angeles, 90054; or

National Orange Show, 689 S. E. St., San Bernardino, 92408.

Contest rules provide that you bake your entry at home and transport it to the Show grounds at the specified time. Your entry lets you in free with your parking provided.

Your recipe will be tested by Sunkist and a sweepstake prize of \$75 and trophy will be awarded the pie and cake winners with second and third awards of \$50 and \$25. In addition, three runner-ups will receive portable electric appliances. Awards will be presented on the day of the final bake off.

Two From Chaffey JC Win B Of A Awards

ALTA LOMA -- Two Chaffey students have won cash awards of \$300 each under Bank of America's Business Awards program which will be presented March 14 at a banquet at the Beverly Hilton hotel, Beverly Hills, where the bank will honor all winners from Southern California community colleges.

Dr. Harry D. Wiser, president of the college, announced that Janet Jordahl won the award in the business education category and Mae Solari was the winner in the secretarial science division. Both students are Uplanders.

Two winners are chosen

by members of each school's own faculties based on scholarship, personality, and participation in school activities or outside employment. Bank of America launched the program to encourage young people to better prepare for business careers. More than 70 colleges throughout the state are participating.

At each school a permanent plaque is kept on which the winners' names are engraved year after year. The students also receive honor certificates at their school's annual assembly for winners of scholastic honors during the year.

Girl Scouts Mark 57th Anniversary

Spanish Trails Girl Scout Council will join other United States Girl Scouts in celebrating their 57th anniversary during the week March 9-15. It was in 1912 that founder Juliette Low told a cousin, "I've got something for the girls . . . and all of the world, and we're going to start it tonight!"

Activities for the week will begin on Saturday or Sunday when Girl Scouts

will attend church or synagogue in uniform. Many troops will be planning special events for each day of the week related to homemaking, citizenship, health and safety, international friendship, the arts, and the out-of-doors.

Happy Birthday, Girl Scouts! This is your week. As our future citizens, you deserve all the accolades we can hand you!

ORANGE THEY PRETTY? -- New Zealand Orange Queen Susan Cornwell, left, and California Citrus Queen Rhonda Brokaw toured some New Zealand citrus plantings while Queen Rhonda was "down under" last summer. Queen Sue will pay a reciprocal visit to the 54th National Orange Show in San Bernardino March 6-16. She arrives Monday, March 3, for a stay of approximately one month.

Building In SB County In '68 Has Best Record Since 1963

The Building and Construction Industry in Riverside and San Bernardino counties evidenced improvement during 1968 in most major categories, it was reported by Security Pacific National Bank in the Survey of Building and Real Estate Activity in the Survey Activity in Riverside and San Bernardino Counties, Volume 5, No. 1 January 1969. Total building and construction volume reached \$373.3 million in the two-county area in 1968, an increase of 14.6 per cent over 1967.

In San Bernardino County during 1968 the building and construction industry experienced its largest year since 1963. Total building and construction volume reached \$235 million, only 3.7 per cent short of the 1963 mark and 13.3 per cent ahead of last year. Engineering construction contracts fell 26.6 per cent below year-ago levels. Residential construction was outperformed by nonresidential building in San Bernardino County during 1968. Residential volume topped \$70 million, a gain of 23.5 per cent over 1967. More than 3,500 single units were authorized by building permits during 1968, while units in multiples totaled 860 - four times more than in 1967. Total nonresidential construction increased by 40.8 per cent to record an all-time high of \$112.9 million during 1968.

Commercial construction established a new high of \$37.9 million, surpassing 1967's total by 14.3 per cent. Industrial construction volume was 15.4 per cent ahead of the previous year.

Bill Enacted To Encourage Interest In Legislative Activities

SACRAMENTO-A legislative bill service to aid local residents who want to follow activities in the State Legislature will begin operation shortly in the district of Assemblyman John P. Quimby (D-Rialto).

Quimby who is inviting his constituents to make use of the service said many times, residents have been concerned over legislation, but have no access to copies of the bills nor able to go to Sacramento to follow the legislation.

Quimby said this added service from his district office will enable interested persons to study and research current legislation and obtain copies of bills or information on request.

The service includes all bills and amendments presented to the Legislature, a bi-weekly index listing bills by subject matter; a daily file and daily journal containing minutes of the Legislature; daily and weekly histories of the Senate and Assembly including cumulative records of actions taken on each bill to date and a final calendar and summary digest following the close of the session.

Quimby said that various publications from the state agencies will also be available as well as the proposed State Budget for the 1969-70 fiscal year.

Quimby's district office is located at 227-A South Riverside ave. in Rialto.

A-L HS Puppets To Be Seen Twice On Television

The hand puppets created by the craft students of Clark Heiple, Alta Loma crafts teacher, have generated great interest in puppetry in the area. Puppetry, started several years ago as an elective part of the beginners crafts class, has grown into one of the major areas of creativity. Not only have they appeared on television shows, but individuals from other educational centers have come and picked them up for use in their activities. Recently the Alta Loma high school art department was contacted to appear on two television shows. The puppets and their creators, Bill Walton, Janet Downey, Ken Johnson, Carl Meyers and Cheri Reaves will appear on Channel 24 on March 7 and again on March 14, explaining how they created the puppets.

The commercial art class under the direction of Ray Freer has painted the stage set, designed of cardboard and lathing. The set is fully portable due to the arrangement of hinges which allows the set to be folded. Additional scenery has been created and designed by Brenda Wampler and Tina Codair. These students also painted the exterior of the settings.

An original play was written by Tom Subt, Jettie McConnell, and Johnny Cornelius. This play, with sound effects, is recorded on tape under the supervision of Mr. Myers, English department. More than 20 students from several departments and three of the faculty members have taken their time and efforts to help make this two-part program a success.

Edison Helps Children With Kite-Flying Book

"DON'T fly a kite in the rain... DON'T fly a kite with metallic string... and DON'T fly a kite with metal in the frame or tail..."

These are but a few of Reddy Kilowatt's and Bugs Bunny's words of advice presented in delightful comic book form that are being distributed to school children by the Southern California Edison Company.

Nearly one million such mini-comic "Kite Fun and Safety" books are offered to primary grade schools each year at this time, according to C. G. Shores, Edison Upland manager.

In the Ontario-Upland-Alta Loma area, for example, more than 22,000

Kite Fun Books have been distributed by an Edison representative, he said. In addition to a color comic sequence on kite flying, this year's Kite Fun Book gives youngsters six basic safety rules and offers instructions for making a variety of kites and accessories.

Other safety rules than those above include: Don't cross streets or highways while flying kites; don't use tinsel, wire, or any twine with metal in it; don't fly a kite over TV or radio antennas; don't fly a kite near electric power lines and don't try to retrieve a kite caught in power lines, or in trees near power lines.

Parliamentarians To Meet

The Sigma Omega Unit of the California State Association of Parliamentarians will meet on Thursday, March 6, 7:30 p.m., at the Upland Travel Bureau, 247 North 2nd Ave., Upland.

Mrs. Thomas Gould, program chairman, will conduct a review of the lesson on nominations and elections, which was presented by Mrs. Floyd Potter and Mrs. Jerry Burns at the previous meeting.

Mrs. Potter is presently serving as parliamentarian of the California Association of Parliamentarians, and Mrs. Burns is State President. Women interested in learning more about club elections are welcome to attend the meeting.

Upland Savings Names Officers, Elect Hottel

UPLAND - Election of a director and appointment of two officers for Upland Savings and Loan Association has been announced by C. Richard Hield, association president.

Paul G. Hottel is the new elected member of the Upland Savings board of directors; Wayne C. Carpenter is the newly appointed assistant secretary, and Earl Nelsen has been named loan officer of the association.

Hottel owns Hottel's Furniture and has been an Upland businessman Rotary Club and the chamber of commerce, he served five years as a city councilman.

He is parking district commissioner for Upland and sewer treatment commissioner for Upland and Ontario.

Carpenter formerly was Upland Savings' assistant officer and before entering the savings and loan field was with a title insurance company. He is a veteran of World War II and the Korean War.

Nelsen has been with Upland Savings since 1965. A native of Ontario, he is a Chaffey College graduate.

He lives in Upland with his wife, Roberta, and two children, Karen and Eric, and is active in church and community events.

NOW IN NEW LOCATION -- Owen Knight, owner of the R and D Clothing firm in Cucamonga, displays some of the fine merchandise his clothing outlet sells. R and D Clothing is now in its new location in the heart of Cucamonga, 9718 Poothill boulevard. Knight invites area residents to visit the new location.

Pamela Rader Named Homemaker

Pamela J. Rader has been named 1969 Betty Crocker Homemaker of Tomorrow for Upland high school here because she achieved the highest score in a homemaking knowledge and attitude test which she took along with other senior class girls in her school Dec. 3, it has been announced. She will be awarded a special Betty Crocker silver charm.

Also, her paper has been entered with those of other school winners in the state in competition for the title, State Homemaker of Tomorrow. The winner of this honor will be granted a \$1,500 scholarship from General Mills, Inc., sponsor of the annual program and her school will be awarded a complete set

Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The state winners-up will be granted \$500 scholarships.

In April, the first place winners from the 50 states and the District of Columbia, each accompanied by a school advisor will be guests on an expense-paid tour of Washington, D. C., and Colonial Williamsburg, Va. The trip will culminate with the naming of the Betty Crocker All-American Homemaker of Tomorrow. Her scholarship will be raised to \$5,000 with three runners-up being granted \$4,000, \$3,000 and \$2,000 scholarships, respectively.

National winners are chosen on the basis of their original test scores, plus personal observation

and interviews while on tour. All judging is by personnel from Science Research Associates, Chicago, nationally known educational testing firm, which also constructs and grades the written test papers.

The Betty Crocker Search for the American Homemaker of Tomorrow was started in 1954-55 to emphasize the importance of homemaking as a career. It marked its 15th anniversary this year with a record enrollment of 630,564 senior girls in 15,116 of the nation's schools. The total enrollment since the program started exceeds 6 million and more than \$1.5 million has been granted in scholarships.

Quimby Plans For Student Laws

SACRAMENTO -- Assemblyman John Quimby (D-Rialto) today said he concurs completely with Governor Reagan's plans to beef up the laws governing the conduct of students and faculty on California's state colleges and university campuses.

"The action should have been taken a long time ago," Quimby said. "Students and the faculty should be allowed to walk on their campuses day or night without some damn, goon mugging them."

Quimby said it was "almost a waste of time and taxpayers' money to arrest these hoodlums because they'll be out on bail and permitted to continue their unholy acts."

Quimby said he intends to support any "responsible legislation which will insure that students have the right to an education without being hampered by a few misguided individuals."

"I feel along with many others that this is a situation of Nazism from the Left," Quimby said, "that it's the Munich beer parlor tactics from the other side of the philosophical spectrum."

Local Student Wins Contest

Paul Davis, a student at Upland High school, and a member of Mr. Jon Wenrick's senior history class has been named a winner of the annual Current Affairs contest conducted by TIME, the weekly newsmagazine.

The winner was selected from more than 2,500,000 students across the U.S. and Canada who participated in the event, now in its 33rd year.

The Current Affairs test, based on significant news stories in TIME, comprises 100 questions on national and foreign affairs, as well as business, sports, entertainment, science, religion, literature and the arts.

Other high scoring students at Upland High school were George Brooks, son of Mr. and Mrs. C.A. Brooks, 645 Opal st. Upland, and Michael Cinnamon, son of Mr. and Mrs. B. Cinnamon, 1360 Second st. Upland.

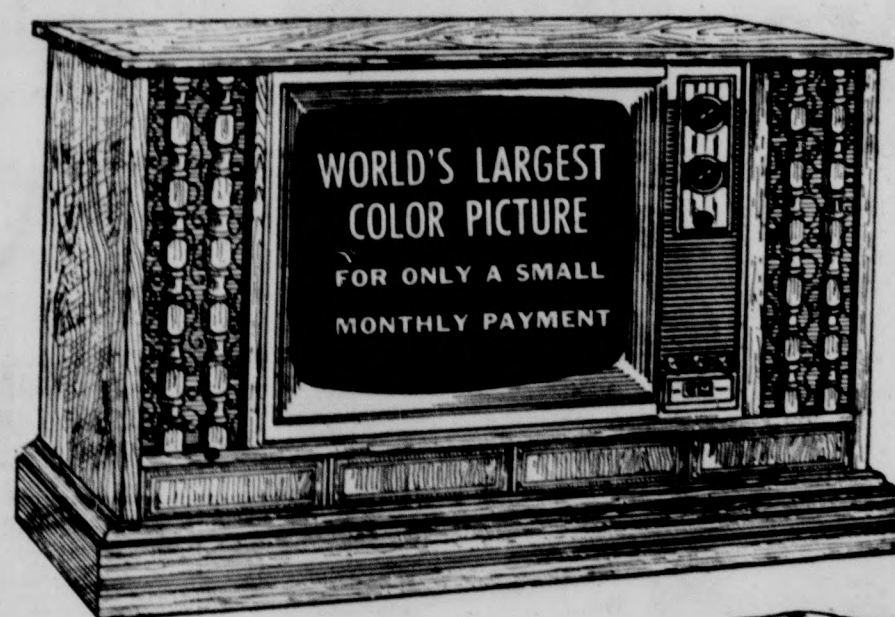

The test, created for the TIME Education Program, an exclusive classroom service of TIME magazine, has been taken by some 10 million students since its inception 33 years ago.

Top scorers were awarded certificates of excellence and merit from James R. Shepley, the publisher of TIME, The Weekly Newsmagazine.

COLOR GUARD—Helping raise the flag at Valencia School are Linda Blair, Marwood Stout, Jr., Lori Schneider and Richie Mizuno. The students recently studied the History of the Flag and helping raise the colors was part of their studies.

FLAG PROGRAM—Students at Valencia School have been studying the history of the American Flag. As part of their studies they have made their own flags and presented a program to the rest

of the school. Shown are some of the students and their flags at a morning Flag Ceremony. Nancy Magee is their teacher.

GETTING TO KNOW YOU -- Shaking hands with Captain Fred Strohte of the Upland Police Dept., is Lyn Masney, first grader at Cabrillo school. Steve Roach, also a first grader, shakes hands with Vern Orum, superintendent of the Upland city schools while Richard

Riley, principal, looks on. The group along with several police officers had lunch together at the school in a program co-sponsored by the police department and school district where the students in a school "get to know" the police officers in an informal atmosphere.

SPRING FASHIONS—Valley Pre-School is sponsoring a "Swing Into Spring" Fashion Show, Saturday, March 15, from 2:30 to 4 p.m., at Taylor Hall, Claremont. Participating in the show will be Mrs. J. Bolin and Jennifer and Mrs. Robert Cohen and Robert.

Coach Impressed With Chaffey's Performance In Swim Relays

ALTA LOMA--Everything is all wet these days, but for the Chaffey College swimmers, it's their "bag."

Chaffey finished fifth in the recent fourth annual UC Santa Barbara Golden Coast Relays and Coach Howard Theurer was impressed by his young Panthers.

"Our measure of success was not so much

in the final team standings as it was in the many outstanding individual performances," Theurer enthused. "Considering our season is only three weeks under way, this meet proved we are going to have some fine performances in the future."

Rookies Tom Robinson (Chaffey) and Rich Rambaud (Fontana) were out-

standing. Robinson who brought home five medals, taking first in the 100-yard freestyle (50.4), second in the 50 free (22.6), both lifetime bests, and swam legs on three medal winning relays.

Rambaud captured four medals, with a second in the 100-yard backstroke in the school record time of 58.9 and

three medal winning relays.

Other notable performances came from Jerry Peres in the 100 backstroke (1:13.8), Dirk Rodewald in the 1650 free (20:45.0), Steve Merryman in the 100 free (53.7), Bart West in the 200 free (2:04.1), Gary Edwards in the 100 breaststroke (1:13.7), and Mike Asay in the 400 individ-

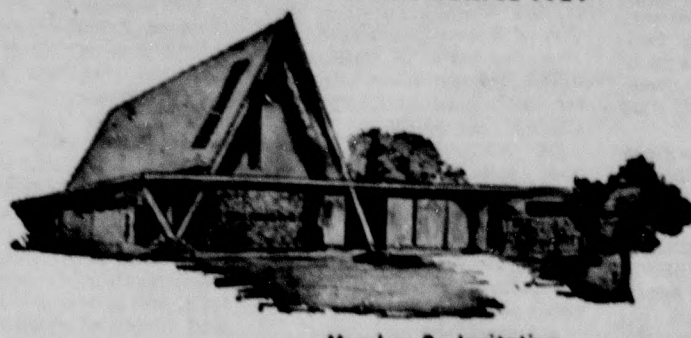

ual medley (5:09.8).

Robinson and Rambaud formed part of the 400 backstroke relay (4:08.4) and 300 freestyle relay (2:22.1) teams which set new school relay meet records.

Next action for the Panthers will come March 5 at the Santa Monica So-Cal Relays.

Your Assemblyman By JOHN V. BRIGGS 35th District

"Why in the hell should the people of California be faced with increased welfare rolls simply because some pseudo-philanthropist back in Washington has decided we are incapable of running our own show here in California?" With these words, a bitter Assemblyman John V. Briggs pondered his next move in his attempts to reverse a federal directive on welfare.

Prior to the Briggs outburst, the Assembly Rules Committee killed a Briggs resolution, (AJR 2) which would have asked the Federal Government to allow California to make its own determination of the need for investigating welfare relief applicants. Only one dissenting vote is needed to kill a resolution in the Rules Committee. It came from Assemblyman John Burton of San Francisco, a constant defender of the rights of welfare recipients.

The U.S. directive, issued in November, 1968, by the U.S. Department of Health, Education and Welfare, restrains detailed investigation of relief clients applications and directs all states (through their welfare departments) to take relief applicants at their word when they say they need help.

Before introducing the resolution, Briggs sent a letter to his constituents in the 35th District (Orange and San Bernardino Counties) stating that "Until the welfare rolls are opened for scrutiny by members of the Legislature, in order that we may see what actually is going on in our give-away programs, there should be more detailed investigation of potential recipients, not less."

The Assemblyman indicated his next move will be to communicate directly with former Lt. Gov. Robert Finch, now the Secretary of Health, Education and Welfare in Washington. Briggs said he will also contact former Assemblyman John Veneman recently appointed Assistant Secretary of HEW with whom Briggs served on the State Social Welfare Committee.

Recently Assemblyman John V. Briggs (R-35th) introduced legislation that would affect future hiring of those persons participating in a strike against public schools and universities. This measure provides that no state supported agency, school or university could, for a period of two years, hire such a person as a consultant or researcher.

Briggs said, "It's about time that we took firm steps to discourage the violence and dissidence that has interfered with our campus' educational activities."

"Governor Reagan, in a recent press release, outlined emergency measures and legislation designed to maintain law and order in our universities and in all educational institutions. The bill I introduced should act as a deterrent to school employees' participation in disruptive action."

VISUAL ARTS -- Explaining a phase of visual arts to students at Sycamore school is Mr. Estrada of San Bernardino County schools. He, along with the Artmobile, spent the day on the grounds of the school while students viewed visual arts projects. Shown are John Anderson, Richard Sloss, Tommy Garrison, and Larry Burns of Mrs. Rita Krieger's fourth grade class.

Visual Artmobile Delights Students

A wingless bird, a humbled peacock and the search for a mongoose are just three of the stories brought to life in the original illustrations included in the artmobile exhibition The Artist As Illustrator of Children's Books which were on display recently at Sycamore School in Upland, announced Principal Roger Skinner.

Circulated by the Visual Arts Project of the San Bernardino, Inyo and Mono County Schools, the exhibit inaugurates "Artmobile II," a newly designed "walk-around" travelling gallery with rear-screen projection facilities and 75 feet of exhibit space.

In addition to illustrations of stories for young people, there were original sketches and paintings illustrating scientific subjects and outstanding textbook illustrations for elementary readers.

The list of contributing artists reads like a "Who's Who" of book illustrators. It included four winners of the Caldecott Medal for excellence in children's book illustrations, awarded by the American Library Association, the "Oscar" of book illustrators, Ezra Jack Keats was represented by a page from his In A Spring Garden; Roger Duvoisin by Nubber Bear; Beni Montresor by a page each from the Magic Flute and Cinderella; and Marcia Brown by a dramatic woodcut from her Once a Mouse, the book which won her the coveted award.

Other names familiar to parents and children who frequent the children's sections of libraries are Adrienne Adams, known for her sensitive watercolor renderings for Thumbelina and The Ugly Duckling, and Leo Lionni, whose splendid Tico and The Gold-

en Wines is in a rich, decorative oriental style. A handsome addition is the beautiful page illustrating the mechanical jeweled bird in Hans Christian Anderson's The Nightingale, by Nancy Ekholm Burkert.

Several Southern California artists have contributed paintings and drawings. Taro Yashima, several times a Caldecott runner-up, loaned sketches for Plenty to Watch and Umbrella, Holling C. Holling contributed a vastly detailed study of the life of the little hermit crab from his popular Pagoo. Don Freeman sent dummies and a vastly detailed study of the life of the little hermit crab from his popular Pagoo.

Of special interest were the sketches, working drawings, color separations, layouts, and correspondence loaned by several artists.

Narcotics On Next Agenda

Board members of Alta Loma High PTA met recently at the school to discuss various business including two big functions coming up.

One was joining in a Carnival at the school at a later date. The other was the coming general PTA meeting to be held March 20 at 7 p.m. at Alta Loma High school. There will be a short business meeting, election of officers, Honorary Life, Founder's Day and a short movie on school tax.

High light of the program will be Captain Noon of the San Bernardino Sheriff's Department who will speak on narcotics and show a film.

This meeting is for the students as well as the parents.

Demo Club Plans Meeting

The next meeting of the West - End Democratic Club will be held on Monday, March 10th, at 7:30 p.m., at West - End Democratic Headquarters, 458 North Euclid avenue, Upland. The meeting will be primarily a business meeting and will kick-off the Club's Buck-A-Month and Registration drives. All members and interested guests are urged to attend.

Anyone willing to spend a few hours answering the phones at Headquarters, either in the mornings or evenings, or on Saturdays, are urged to call Headquarters, 985-5318.

Joel L. Morris

Joel L. Morris enlisted in the United States Army. He is stationed at Fort Polk, Louisiana and is training to be a helicopter pilot. Joel is the son of Mr. and Mrs. W. W. Morris of Upland. He is a 1966 graduate of Upland High school.

BLUE AND GOLD DINNER -- Holding a decorated cake in celebration of Cub Scout Pack 605's Blue and Gold Dinner is Marty Thompson, Webelos, 2. Shown with him are (l) Tom Garrison, den 6 and Robbie Evans, den 3. (l to r standing) Keith Cuning, Webelos, 1, Keith Perkins, den 5, Bobby McGowan, den 1, Lee Lewis, den 2, and Jerry Rosenblum, den 4. The father and son dinner was held at Sierra Vista school for a crowd of 200. Loren Sanchez is the Cubmaster.

"International Day" At SB County Museum

Recently an unplanned "International Day" for the staff at the San Bernardino County Museum was held when four visitors from foreign countries stopped in, according to the museum's newsletter.

Homayun Hashemy of Afghanistan, Frank Gottschalk of Germany, and Kerstin Lewin of Sweden, American Field Service students at Upland High school, were accompanied by Mrs. R. C. DuVall, of Upland, with whom Kerstin lives.

Homayun expressed appreciation of the museum and left a bit of himself behind when, writing from right to left, he signed his name in the Register in his native script.

Kerstin and Frank were enthusiastic about the Indian displays. "We hear about Indians in Sweden from people who come back from America. It is interesting to compare what you have heard with what you see," Kerstin explained. Frank was most impressed with how much the Indians did with so little.

As exciting as the teenagers' visit was that of Mr. William H. Cheverton, 68, of Huntington Shire, near Cambridge, England. Mr. Cheverton was visiting his sister, Mrs. William Taylor of San Bernardino and was accompanied to the Museum by Mr. William Barker of San Bernardino, whom he met in England earlier.

IRS Says Don't Forget Surcharge

Don't forget the Tax Surcharge when filing your 1968 income tax form. This advice came today from F. S. Schmidt, District Director for Internal Revenue Service. Mr. Schmidt said that many taxpayers are failing to compute the surcharge, which was enacted by Congress in 1968. Returns not showing correct surcharge computations must be pulled from processing, delay refund checks by one week or more.

Taxpayers are reminded that Line 8b on Form 1040A and Line 12B on Form 1040 are for surcharge computations. Mr. Schmidt said that many taxpayers completing these lines on their return forms are subtracting the surcharge instead of adding it to the tax due. The annual surcharge is figured at 10%. Since it was effective for only nine months of 1968, the rate is 7.5% instead of the full 10%.

Check instructions in your tax package for additional information.

Charlie Brown Observes First Anniversary

"You're A Good Man Charlie Brown," that fabulous, intimate musical which is threatening to shatter all theatrical records throughout the world, will celebrate its first anniversary on Mar. 12 at the Ivar theatre, Hollywood.

Current and past productions which producers Arthur Whitelaw and Gene Persson have presented now number 14, with more to come. Former productions have played in London, Stockholm, Montreal, Toronto, Boston, (where it broke all existing records for a musical), and Buffalo. Currently-New York (now in its third year), Washington, D. C., San Francisco, (in its 21st month), Oslo, Norway, Chicago (selling six months in advance), a national touring company, and the Hollywood company at the Ivar with its second year coming up.

On the Whitelaw-Persson planning board are: Brazil, France, Germany, Israel and Mexico.

The U. S. Army Reserve teaches skills that build careers.

Whose Pants? Many women today may be wearing pants instead of petticoats, but the fashion trend is just one more interesting reversal in the long history of clothing. The first female petticoat was an adaptation of the masculine "kirtle," an undergarment made of quilted cotton worn by soldiers in the Crusades.

Casa Colina To Receive All Funds From Concert

Pomona's Casa Colina Hospital for Rehabilitative Medicine will be the recipient of all proceeds less expenses from the Claremont Symphony Orchestra concert at 8 p.m., Saturday, Mar. 8, at Bridges auditorium, Claremont.

Featured soloist will be famed violinist Camilla Wicks, who has given command performances before royalty and toured Europe eleven times. A performance of the "Glazunov Violin Concerto" by Miss Wicks will be the highlight of the evening.

Tickets for this long-anticipated concert are available at many Claremont businesses, including the Claremont Chamber of Commerce. Tickets may also be purchased at the box office at any time or at Casa Colina hospital.

Casa Colina, founded

by Mrs. Frances Eleanor Smith, opened its doors in 1938 at Chino. Its first patients were children recovering from polio.

Moving to Pomona in 1958, Casa Colina changed its policy to one of admitting patients of all ages, once polio had been conquered by Dr. Jonas Salk. Casa Colina now accepts any patient who, upon doctor's referral, and in the opinion of the staff, can be significantly improved through its rehabilitation program. Patients are accepted regardless of age, race, geographical location or ability to pay. In fact, over \$250,000 a year is spent on free care, according to Richard T. Moore, administrator.

Casa Colina is not tax supported nor is it a member of any fund-raising group. The hospital depends on the community it serves for support.

Helpful Tax Booklet Now Available To Public

Your Federal income Tax, a 160-page booklet on Federal taxes, written in layman's language, is now available at most Internal Revenue Service offices throughout Southern California, according to F.S. Schmidt, District Director of Internal Revenue.

The booklet, also known as Publication 17, covers in detail the Federal income tax laws as they apply to individuals. It contains many examples to illustrate how the laws apply to actual situations. Mr. Schmidt said the material is especially helpful to taxpayers who have unusual tax situations, or for those faced with a new tax problem.

Examples of taxable and non-taxable income and of allowable and non-allowable deductions are

included. A detailed index helps pinpoint answers to tax problems.

A special feature in the booklet is the sample, filled-in tax return, Form 1040, keyed to pages in the booklet where explanations can be found for the entries on the return.

The booklet may also be obtained from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, at 60 cents a copy.

GOOD SIGN. This little Vietnamese youngster never heard of Sir Winston Churchill, yet he flashes the statesman's famous World War II victory gesture to passing American soldiers.

Production of milk in the U.S. in September was 9,058 million pounds, 1% less than a year earlier, and 4% below the 1962-66 September average.

CPUC Questions Edison Increase

The staff of the California Public Utilities Commission last week questioned whether at least \$8 million of the \$60 million annual rate increase sought by Southern California Edison is justified.

In a cost allocation exhibit introduced at the 31st day of public hearing on the matter, Commission staff engineer Norman R. Johnson contended the rate base upon which Edison is entitled to earn a return is some \$200 million less than the company figures show. (The lower the rate base, the less revenue a company will earn given a certain rate of return.)

Johnson said the \$2.4 billion rate base Edison claims for rate-making purposes includes property and other items which are subject to the jurisdiction of the Federal Power Commission. Subtracting the FPC jurisdictional items, the rate base under the state's jurisdiction is only \$2.2 billion, he maintained.

The \$60 million increase Edison seeks is based on the company's request for a 7.6% rate of return. Another member of the Commission's staff previously recommended Edison be allowed a lower return—in the

7.0% to 7.3% range. Should the Commission ultimately accept both its staff's rate of return recommendation and its lower rate base, \$60 million Edison says it needs would be whittled down considerably.

Another significant staff exhibit recommending how any revenue increase should be spread among Edison's various classes of customers will be introduced into the proceeding next month.

Hearings on the Edison application began last September and are scheduled to continue at least through March 28.

Jazz Pianist Joins Buddy At Melodyland

A multiple Grammy Award winner and the recipient of seven gold records, each indicating a million-seller, will be the special guest star when the zany Buddy Hackett unveils his comic antics on stage at Melodyland March 7-8-9.

Jazz pianist Ramsey Lewis, who received his "best instrumental" Grammy for "In Crowd" and a "best rhythm and blues" Grammy for "Hold It Right There," will appear with Hackett at all five performances next weekend: 8:30 Friday, at 7 and 10 Saturday and at 5 and 8:30 Sunday.

The gold records presented to Lewis and his renowned trio were for four albums, "Sounds of Christmas," "In Crowd," "Choice" and "Wade in the Water," and for three singles, "In Crowd," "Hang On, Sloopy" and "Wade in the Water." Lewis is also the recipient of several "Best Instrumentalist of the Year" awards from such publications and Cash Box and Record World magazines.

Tickets for the Hackett-Lewis show are available at the Melodyland boxoffice, by mail and at all agencies.

FAMILY POT LUCK

Wrap a roast in foil to prevent spattering in oven, particularly pork roasts which have more fat than others.

Add spices and herbs to food toward the end of the cooking period so they won't lose their pungency.

Variety is the keynote to menu planning. Sausages and processed meats, for example, are available in some 200 different varieties.

When using peanuts in salads and sauces, mix them with other ingredients just before serving. Peanuts take up moisture readily and lose their crispness.

When you need a number of containers to hold different dips for snacks, shape a double square of aluminum foil over a small bowl. Trim or flute the edges, then remove the bowl. Put the foil containers in the center of the tray, fill with the dip, and surround with crackers or chips.

Sardine-Tomato Broil
3 medium-size tomatoes
2 (3-4 oz.) cans Norway sardines

2 tbsp. grated cheese
small boiled potatoes or steamed rice
Decorate with green olives and watercress

Cut the tomatoes in half. Drain the olive oil from the Norway sardines and make a puree of contents of one can. Spread puree over tomato halves. Top each with 4 or 5 whole sardines from second can. Sprinkle with grated cheese and bake in oven or under broiler until the tomatoes are tender. Serve piping hot with small boiled potatoes or steamed rice. Decorate with green olives and watercress. Yield: 6 servings.

5th Graders Write Marines "Come Home, Don't Surrender"

Mail call had an added touch of excitement for men of 3rd Tank Bn. 3rd Marine Division, when they received letters from 26 fifth-grade students from Rowland Heights, California.

"Dear U.S. Marines," wrote some of the students from Ybarra School. "I hope you are fine. What is your job in the Marines? I hope you had a merry Christmas and a happy New Year."

The letters arrived at "C" Co. 3rd Tank Bn. in a large manila envelope along with a letter from Ted Ritchie, the youngsters' teacher who explained that the letters were written by his students as part of their studies.

"They're great kids and are really excited about the possibility of getting mail back from some of you. We want to share your letters in class and feel that you guys are doing a tremendous job," wrote the teacher.

One little girl, Teresa Franklin asked in her letter, "What is the phone number down there? Maybe I can call you to see how it's going down there."

All the youngsters' letters were full of concern for the Marines and with wishes for their safe

return home. In response to a little girl's question, "Would you send me something from the Marines, like a doll?" Sgt. Allen Bragunier (North Syracuse, N.Y.) said, "We're going to buy a Vietnamese doll and send it to her."

The company's First Sergeant James L. Langford (Hayward, Calif.), said that he and the company commander plans to answer the letters and that many of the men are already writing to the students.

As the letters passed from Marine to Marine, they all agreed that this was the best mail call

they have had in a long time.

One of the favorite letters received by the Marines was written by young Bruce Woerz. He wrote, in part, "Wish that you and the other Marines could come home safely and see your wife and family. I know that you can't come home from your fight in the war. But don't surrender."

The Marines have assured Bruce that they, indeed, will not surrender.

Sick Pay Not Taxable, IRS

A taxpayer kept on a company payroll while he is unable to work because of illness or injury may not have to pay tax on this income, F. S. Schmidt, District Director of Internal Revenue for Southern California, said today.

Wage payments received in these circumstances may be wholly or partially tax free depending on the amount of the payment and the time the taxpayer is off the job.

Mr. Schmidt said that if a taxpayer gets over 75 percent of his regular weekly pay while he is out because of accident or illness then he has a 30-day waiting period before any of his pay is exempt from tax. After 30 days, he may exclude up to \$100 in wages a week from his taxable income.

If the sick pay is 75 percent or less of his regular wages the waiting period is reduced to 7 days. This waiting period is eliminated if the person is hospitalized at least one day.

No more than \$75 a week in wages may be excluded during the first 30 days in which the taxpayer is eligible to claim the exclusion. Thereafter, the maximum is raised to \$100.

Taxpayers claiming this sick pay exclusion should fill out Form 2440, Statement to Support Exclusion of Sick Pay, and send it in with their return.

Mr. Schmidt said there are circumstances when a person retiring on a disability pension may count part of his pension as sick pay. The pension could be tax free if he is permanently disabled due to accident or illness before reaching retirement age and if all or part of the pension is paid for by his employer.

IRS Publication 522, Adjustments to Income for Sick Pay, furnishes more detailed information on this subject. To obtain a free copy and Form 2440 drop a post card to the District Director, Internal Revenue Service, Tax Forms, P.O. Box 1711, Los Angeles, Calif. 90053.

Good Start
Breakfast should provide one-fourth to one-third of a child's food needs, say nutrition specialists. An adequate breakfast gives him the protein, vitamins, and minerals he needs to repair his body and to keep him healthy. Breakfast need not be a big meal; but it should be a well-balanced one.

Money Saving Idea Earns Employee \$500

Wilbur O. "Bud" Newman is \$500 richer today as a result of a savings bond presented to him by General Telephone Company area general manager, Robert W. Shaffer.

Newman won the award for suggesting a plan which will provide better customer service and save the local utility more than \$15,000 annually. The bond winner is an engineering supervisor in Pomona.

While Newman was working in the switchboard installation department several years ago, he noticed that he and his fellow workers were duplicating some of their work every time a customer wanted to add more lines to his push button business telephone. They were removing cables and replacing them with bigger cables.

During the process of changing the cables, customers' service might be interrupted for as much as two hours. Newman suggested installing the bigger cables with original installation of the service whether or not the customer used the added incoming lines at a later date. His intention was that customer service

would be better; savings to the company were a secondary consideration. The savings, however, will amount to over \$15,000 to General Telephone Company of California this year.

Newman is a 22 year veteran of General Telephone Company. He started his career in San Bernardino in 1947 as a telephone installation and repairman. Later, he moved to the switchboard installation department and in 1965 was promoted to installation and repair foreman. He has held his present position as engineer since 1967.

Miss OIA Contest Begins At Breakfast

ALTA LOMA--The Miss Ontario International Airport Contest is scheduled for take-off when West End business leaders squire 36 Chaffey college candidates at a breakfast tomorrow.

The breakfast will be at 7:30 a.m. in the Ontario National Golf Course Clubhouse, with Ontario Chamber of Commerce Manager Berger Neilsen in charge of the arrangements. Miss OIA candidates will be assigned to sponsoring merchants.

As a prelude to the breakfast, a mother-daughter briefing tea was held in the OIA Board Room at 1 p.m., March 3. The purpose of the tea was to inform candidates and their mothers on the functions of the Miss OIA winner.

The first judging of the contest is set for 12 noon, March 12, in the new Chaffey College Forum Building, reducing the number of candidates to 10.

The 10 semi-finalists will be flown to San Diego, March 15, courtesy of PSA, this year's co-sponsor of the Miss OIA program.

Chaffey students will vote for the five finalists, April 15-16.

The five finalists will be announced at a press conference at 2 p.m., on April 17, which will be attended by the 10 candidates as well as airport and PSA officials.

Present will be OIA General Manager Robert Hamilton, Los Angeles International's Cal Edgerton and PSA's Gale Hoxworth.

Miss OIA will be chosen by a panel of judges from the community at the Chaffey College Merchandising Club Fashion Show and Coronation at 8 p.m., April 23. The event will be at Chaffey's Campus Center.

Merchandising Club member Jeanie Kane, of Claremont, is the coordinator of the competitive phase of the Miss OIA Contest.

Candidates by community are: Alta Loma--Margaret Brumund, Randi Rudiger, Ardie Stewart, Terri Wassner, Karen Williams, Corona--Barbara Arvizu, Linda Bailey, Marcia Engle, Patricia Grider, Deborah Jean Wein, Fontana--Shirley B. McClellan, Pam Myers, Sherie Ann Terry, Montclair--Deanna M. Manglamele.

Ontario--Dyane Abril, Vickie Callaway, Pam Ewing, Janell Susan Garison, Cindy Hall, Stella M. Harris, Sue Joens, Carle O'Brien, Sharron Riddle, Judy Stauber.

Upland--Linda Canemi, Bonnie May Casteel, Opal Dunn, Cini Harris, Pat Maine, Karen Masting, Helen Darline McBroom, Diana Mistrizia, Linda Peltz, Carol Springer, Cheryl Strohte, Liz Wagner.

Princesses To Compete For Citrus Crown

SAN BERNARDINO -- Fifty-one beautiful Southern California girls will compete for the title of California Citrus Queen Thursday night, March 6, opening night of the 54th National Orange Show.

The community queens will be presented in a dazzling beauty pageant in Swing Auditorium at 7:30 p.m. They'll parade

under the spotlights on three huge ramps extending out into the audience, first in bathing suits and again in evening gowns. The winner will represent the California citrus industry during the ensuing year.

In alphabetical order, the local queens are: Colton, Deborah Kay Mason; Corona, Susan

Carol Jones; Fontana, Molly Michener; Norco, Kathryn Cairns; Rialto, Shelly Green; Riverside, Elizabeth Anne Joram; San Bernardino, Deborah Sivilie; San Gabriel, Darlene Poole; Temple City, Ginger Miller.

Other highlights of San Bernardino's salute to the citrus industry include the NASCAR super stock

car races the first weekend, Petting Zoo, Bob Baker's Marionettes, three big parades, the Scouts on Mar. 8, American Legion-Armed Forces Mar. 9 and Sheriff's Rodeo Parade Mar. 16; all-day talent shows, Sky Glider, giant slide and midway.

Contests include the lemon pie and orange cake

bake-offs on Mar. 13 and 14; amateur photo contest; distance race for women and girls; National Open Baton Twirling contest on the final weekend.

Big free stage shows will be presented from the stage of spacious Swing auditorium each night and twice on weekends. Such stars as Bob Hope, Phil Harris, Trini Lopez, My-

ron Floren and Rasey Grier have been booked for the 1969 show. Final weekend, Mar. 15 and 16, will see two performances of the Sheriff's Championship Rodeo where top cowboys from the western states will compete for more than \$10,000 in cash prizes.

Real Estate Facts

The potential value of leases in real estate as a means of creating investment is not always recognized probably because leases frequently involve large amounts of money.

It is not uncommon for a manufacturer to seek a best location, buy the land, build his plant, then sell it to an investor on a lease-back arrangement in which the manufacturer signs a long-term lease as part of the sale agreement.

This guarantees the manufacturer a location, building, and facilities that suit him. It retrieves his capital outlay for the building, making the capital available for his business. He may even make a significant profit on his construction venture because there is considerable competition among investors to acquire good leased property.

From the investor's viewpoint, he has a property worth what he paid for it, plus a guaranteed income as sound as the lessor's credit rating.

This is the basic principle. In practice, other conditions come into play. If it is a lease for 20 years, who knows what the taxes might become during that time? What about insurance, maintenance? Oftentimes the lease provides that the tenant will pay all taxes, insurance and upkeep or will pay increases should they come.

Sometimes a lease is based on a percentage of gross sales. In this event, there is usually a minimum rental guaranteed, then the tenant pays the investor a percentage of gross sales above a certain agreed minimum. Such lease arrangements are most often made with retail stores.

come quite complex, which is why Realtors, other real estate brokers, or attorneys who are familiar with them frequently are involved in their sale.

A store building on a street downtown is more valuable and can sell for a higher price if the tenant has signed a 10-year lease than if he has only two years left on the lease. For this reason, a Realtor will often renegotiate a lease for the owner of such properties before selling them. Besides offering the buyer a guaranteed rental for the leased period, the lease is good collateral at the bank. It can even be sold, the property owner retaining title to the property.

A lease might have a provision that the tenant has an option to renew for five years at no increase in rental. If the property is a sale and lease-back, the lease could contain an option to repurchase after a certain period of time.

Leases even become a factor in residential property in certain areas. It isn't uncommon in high-priced beach property for the owner to grant a long-term lease to a tenant, who builds on the property with title to the house and not the land under it. This can be true in mountain resort areas and other places where land has a specialized use.

Leases in real estate can be the key to good investment, providing stability for both the owner and the tenant. They should never be overlooked as a factor in real estate transactions.

Color Slides Topic Mar. 7 For Shutterbugs

ONTARIO -- A slide show provided by a film manufacturer, titled "Some Do's and Don'ts for Better Color Slides," will be presented at the meeting of members of Euclid Avenue Camera Club, Friday, Mar. 7, at 7:30 p.m. in the chemistry room at Chaffey high school.

Anyone interested in color photography will be welcome to attend, according to William Gaffney of Ontario, program chairman.

Marines To Participate In Mock Battles

The Hemet Chamber of Commerce many years ago used to bring an Indian woman to the National Orange Show described as the original Ramona, whose life story was told in Helen Hunt Jackson's famed story, "Ramona." At times they switched Ramonas, but no one seemed to know the difference.

U. S. Marine warriors, airlifted by 63d Military Airlift Wing C-141s from Norton Air Force Base, checkmated surprise moves by "aggressor forces" in the chill "battle zone" -- near Fallon, Nevada -- in fulfillment of exercise Rancher Corral

III. Earlier, Starlifters of the Inland Empire instituted Phase V of the current operation in the 63d Wing/Fifth Marine Div. Affiliation program. Norton's Airlift Control Element (ALCE) teams at El Toro and

Fallon have been occupied in coordinating the various airlift requirements under direction of Lt. Col. Arthur G. Phillips Jr., Mission Commander. Aircrews of the 14th and 15th Military Airlift Squadrons departed Nor-

ton each flying day and averaged three and four round trips daily between the Nevada desert and El Toro. Marines, generally pictured as fighting in steaming jungles and barren Pacific isles, found Chosin Reservoir for

their winterized training, with the present subzero temperatures of the Nevada high desert adding greatly to the discommodity of a realistic training exercise.

Quimby To Get Jump On Future Flood Control

SACRAMENTO --- Assemblyman John P. Quimby (D-Rialto) recently said he plans to take the problem of funding flood control projects along the Cucamonga and Warm and Lytle creeks direct to Congress "to insure that the projects are started without delay."

"While I was happy to see a congressional committee tromping through our flooded lands and listening to our problems," Quimby said, "I want it known that many of us in the State Legislature were aware of the problems some time ago and did something about it."

"Yet it was the federal government--and the Congress that did not move swiftly enough to provide California with the needed funds to expand our flood control programs."

Quimby said there was "a potential of even greater disaster if those needed flood control projects are not financed by the federal government."

The Cucamonga Creek project, estimated to cost the federal government some \$30.7 million has been recommended by the California Water Commission for an initial planning appropriation of \$650,000 and the proposal was disapproved.

Lytle and Warm Creeks estimated at \$12.2 million had been recommended for \$1.5 million for initial construction. That item was also excluded from the federal budget for 1969-70.

The project involves channelization of the east branch of Lytle Creek through the cities of San Bernardino and Colton together with levees on a portion of the city of San Bernardino and the east part of Colton.

"This project is a much needed improvement to protect the many persons businesses and commercial establishments in the area affected from the hazards of flood," Quimby said, "I have been assured by the Army Corps of Engineers that they would have the capability of using \$1.5 million during the next fiscal year."

"I have also been assured by the Corps that they have the capability of utilizing \$400,000 to initiate plans for the Cucamonga Creek, if the Congress will approve the funds."

Quimby said Lytle and Warm Creeks provided the momentum during the past flood which inundated acres of land sweeping its force as far as Riverside.

RR's Budget Draws Ire Of Assemblyman Quimby

SACRAMENTO - Assemblyman John Quimby's immediate reaction to Gov. Reagan's proposed \$6.2 billion budget for the coming fiscal year was that it weighed a "hefty 20 pounds and could cost the taxpayers another half-billion dollars more than the current budget."

"I could be classed as a penny pinching Democrat representing a district which pays through the nose in taxes yet gets nothing in return," the San Bernardino county lawmaker said.

portion of the budget for the treatment of mental illness closer to home. Quimby, however, did commend the governor for attacking the problem areas in Medi-Cal and welfare.

"I feel the governor is on the right track in calling for prevention of waste, unnecessary utilization and loose administration in both welfare and Medi-Cal," Quimby said.

WELFARE CUTBACK Quimby said he agreed with the governor that new emphasis be placed on transferring able-bodied persons from the welfare rolls to useful and profitable employment as well as the rapid cure of the ailing who cannot provide for their own treatment.

"While I am pleased that the governor wants a balanced budget to meet the state's needs without new taxes," Quimby said, "I am totally displeased at the lack of effort by the new administration to reduce our existing taxes."

"The token programs for tax reform offered by the Administration," Quimby said, "are only pennies thrown at the overburdened taxpayer."

"Apparently, it will have to be up to the Legislature to find the solutions to California's tax problems," he said "and I hope that the Administration will support whatever consensus is ingful and tangible tax relief."

Quimby said it was too early to evaluate the contents of the 2,000 page document which legislators received and confined his remarks to the governor's Budget message which accompanied the detailed budget.

Quimby called the governor's proposal for \$380 million in income and property tax reduction "piece meal tax relief with no long range goals."

"While the governor did refer to future tax reform, he apparently did not take into consideration earlier proposals made by his Advisory Commission on Tax Reform which is studying the possibility of a salary withholding tax."

Quimby said there were major inconsistencies in what the governor was recommending for public school aid and what the Department of Education is recommending.

"The governor wants to increase the school aid by \$105 million," Quimby said, "yet the department is asking for almost \$350 million."

"I think the Legislature will want to discuss the two proposals with both sides to determine just what is really needed and just why there is such a wide difference in the amounts proposed."

ADMITTS ERROR In the area of aid to the state's mental health program, Quimby said he was pleased to note that the governor "is finally admitting his previous error in cutting the mental health program."

The proposed budget calls for major increases in the local assistance

3 Area Students On Dean's List At Messiah

Three area students have been named to the Dean's list at Messiah College, Grantham, Pa., according to Dr. Daniel R. Chamberlain, college dean. Those attaining the honor for the first semester are: Morris Book, Pat Smith and Connie Engle, all of Upland.

Dr. Chamberlain also noted that a student must have a grade point average of 3.3 in order to qualify for the honor. He also noted that a total of 76 students were named to the list at this time.

Meet the Boy who Finishes a Man's Job

The Little Merchant Plan teaches the boy what our Free Enterprise System is all about. Here he develops a knowledge of the basic fundamentals of business which equips him so well for the full time job that he will eventually fill.

No wonder that so many employers when filling "key" positions ask, "Were you ever a newspaperboy?"

The Head-Turner: Fiat 850 Fastback

Turn that next traffic jam into a rally. Feel how Fiat's full synchromesh 4-speed transmission responds to the floor stick. Relish the relaxing design of bucket seats. Admire the handsome instrumented dash, the tachometer, the finished interior. Try the front disc brakes. And keep your eyes on the road! Other drivers will be twisting their necks for a second look and wondering what that beauty cost. Come in and test price it... then smile!

The Wash That Grew

Cucamonga wash looks almost pastoral in the picture at the top after having rampaged through Cucamonga and a part of Upland twice in one month. Picture looks south toward Foothill boulevard bridge, center.

Left photo shows some of the devastation from the recent storm. Four people were killed in Mt. Baldy Village.

Right, the San Gabriel Valley Labor Camp shortly before it was evacuated Monday at the height of the flooding. Bottom left, this was the way the two houses looked which were located next to the Brookside Winery in Cucamonga. Bottom right, this is approximately the same area. The old house is gone (taken in January flood). The second house, damaged, is screened from view by some of the enormous boulders washed down during the two floods.
